IN HONOR OF DANIEL STEWARD

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 16, 2020

Mr. COURTNEY. Madam Speaker, I rise today to congratulate Mr. Daniel Steward on his recent retirement from a remarkable fourteen-year career as first selectman for the town of Waterford, Connecticut. This tenure makes Dan the longest serving first selectman since the founding of the town in 1801 and ensures his legacy will last forever.

Dan was born and raised in Waterford and worked in the southeastern Connecticut region his entire adult life. He honed his managerial skills at Southern New England Telephone Company where he worked for twenty-eight years and then spent another three years as supervisor in information technologies at Dominion Energy's Millstone Power Plant, Connecticut's largest electrical energy producer. While still employed in the private sector, he began his impressive career of public service working to improve the town's public schools, first as president of the Parent Teacher Organization, and then when he transitioned to the Waterford board of education where he rose to the position of chair. In 2005, the people of Waterford elected Dan as their First Selectman, and he hit the ground running. This win was especially significant for Waterford, as they now had the leadership of one of their own, a true Lancer. This first-hand knowledge proved crucial for the growth and success of the town. Not only did Dan make structural improvements such as building five new schools; he also paid close attention to the individual problems of Waterford's residents. Dan's vested interest in the town enabled him to connect with everyone as his peer. He took the concerns of his constituents personally; his biggest gripe with the job being only that "he wanted to make everyone happy."

During his time as first selectman it became obvious that Dan had a gift for strong leadership and embracing change, something he knew all too well. His own father sold their family's dairy farm to developers who would go on to build the local Lowe's hardware store, giving Dan personal experience with the cyclical economies of small towns. When Dominion Energy's Millstone Power Station, a backbone of the current economy, was negotiating with the state, Dan remained a fierce advocate for Waterford. Dan's personal knowledge of the company gave him a unique and well-rounded perspective to facilitate a sustainable, long-term plan for its continued operation.

As the Congressman for Waterford during the bulk of Dan's tenure, I had the pleasure of working with him and the town on a number of issues, such as the memorial at Arlington National Cemetery to Vietnam hero and U.S. Army Captain Arnie Holm, a beloved son of Waterford, the development of a long term dredging plan for eastern Long Island Sound, and the recapitalization of the New England

Central Railroad, to name just a few. I found Dan to be extremely thoughtful and positive, always focused on the big picture of making southeastern Connecticut's future strong and healthy. Although we are from different political parties, he approached the job of governing from a non-political, practical point of view which I believe is a refreshing example elected officials at every level of government should follow.

Dan's presence will be sorely missed at Town Hall, although he has certainly earned this next, hopefully more restful chapter that I'm sure he will spend with his wife, Kathy, his four daughters, and his nine grandchildren. Luckily, Waterford residents won't have to look far as he will still support the community by going door to door for the census. Madam Speaker, I ask my colleagues to please join me in thanking Dan for his service and congratulating him on his retirement.

IN RECOGNITION OF THE GRAND OPENING OF OZONE HOUSE'S YOUTH FACILITY

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 16, 2020

Mrs. DINGELL. Madam Speaker, I rise today to recognize the grand opening of Ozone House's youth facility.

The Ozone House is a community-based, non-profit organization that has been devoted to helping youth in crisis for the past 50 years. In Washtenaw County, nearly 1,300 youth experience homelessness annually due to situations that arise from neglect, abuse, mental illness, or other crises. In 1969, Ozone House was established to address this problem and help young people in the community learn how to lead safe, healthy, and productive lives. Each year, the Ozone House provides refuge for over 800 young people and arranges over 4,000 hours of professional counseling services at two locations in Ann Arbor and a drop-in center in Ypsilanti.

Today, we celebrate the opening of Ozone House's new youth facility. The opening of the newly-constructed 19,000 square-foot building demonstrates the organization's continued unrelenting commitment to youth in Michigan, as it allows the organization to improve its services and counsel more youth than ever before. The facility will provide more space and privacy to youth navigating trauma and crisis and will afford them a new sense of security, stability, and consistency. In addition to 16 private bedrooms that can sleep 32 young people, the facility will offer counseling rooms, an expanded food and necessities pantry, three kitchens, and laundry and shower facilities. Ozone House's new facility will positively impact the lives of hundreds of youth throughout our community and empower them to get through even the toughest of circumstances.

Madam Speaker, I ask my colleagues to join me today in celebrating the grand opening of Ozone House's new youth facility. In their commitment to providing a safe space for young people to help them grow and recognize their talents, the Ozone House continues to be an asset to the community. I am grateful for Ozone House's positive impact and wish the organization continued success in the years to come.

ROE V. WADE ANNIVERSARY

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 16, 2020

Mr. ADERHOLT. Madam Speaker, I am pro-life, pro-family, and pro-child. While my beliefs are rooted in my Christian faith, I am not naïve enough to believe that everyone shares that connection between faith and the sanctity of life.

Yet, no matter what someone believes or doesn't believe, everyone understands that life is precious, and it is a gift. I believe that as Members of Congress and as citizens, we are called to protect the vulnerable. This is one of my core beliefs.

But being Pro-Life comes with responsibilities. It's not enough to say that you are Pro-Life and then walk away. "Just say no" isn't enough when it comes to abortion.

Women who find themselves with an unplanned pregnancy need support. Sometimes they need a loving shoulder to cry on. And sometimes they need help to find adoption resources.

Being pro-life means not just pro-birth but being interested in the welfare of that child during their entire formative years.

That's why I am not only a long-time member of the Pro-Life Caucus, but also a co-chair of the Congressional Coalition on Adoption.

We must speak up on behalf of the millions of babies aborted since Roe v. Wade, but also speak up for the children who have been saved by mothers who chose life.

Let's work together to find new ways to protect the most vulnerable amongst us—to advocate for families to adopt children or become foster parents, and then promote the underlying structures that support these families.

I also want to take this opportunity to thank President Trump and his Administration for the work they have done to defend the unborn, including changing the rules for Title X and expanding the Mexico City Policy.
